

Help protect your legacy and loved ones

Modernized wills and estate planning services

Estate planning doesn't have to be costly or time-consuming. Now it's easier than ever to start the process online.

Canada Life is here to help ease the burden with modernized wills and estate planning services provided by ClearEstate. You can get one-on-one support with anything from creating a will online to managing a loved one's estate.

Create a legal will online in less than an hour

Canada Life members can create a legal will and power of attorney documents online in less than an hour for only \$50 plus tax*. This is an 80% discount from the regular price.

Simply [visit this page](#) and select "Start your will now" to sign up for a free account. You can start creating your will and pay only when it's ready. It really is that simple.

Support at every stage

Besides building a will online, you'll also have access to professionals every step of the way who can help you with:

- Free executor support for your appointed executor (an \$80 value)
- Building an estate plan
- Managing a loved one's estate

Get started today

It's never too early to start planning ahead to help protect your legacy and your loved ones. Explore wills and estate planning services [here](#).

* For an additional \$19 annual fee, you can access your own digital vault and make unlimited edits to your will. This digital vault also allows you to connect your financial accounts, build your estate inventory and store important documents.
